

Reflective Log: *Reflecting on today's driving lesson*

Date

How long was this driving lesson?

Pupils name:

What was the goal of this lesson?
.....
Was this discussed and agreed with the pupil at the start of the lesson?

On reflection was the practice area suitable for the pupil's experience and ability?

Did the practice area work well to achieve the lesson goal?

Did I discuss what the balance of responsibility would be at the start of the lesson?

Did I shift the balance of responsibility as the lesson progressed depending on the pupils needs? And did I discuss and agree this with the pupil?

Did the pupil always know what was expected of them?

What went well? What did I feel confident with?

What didn't go so well? What could I do differently next time?

Do I need a ZOOM call to discuss anything that occurred on this lesson?

Was I always aware of my surroundings?

Was I always aware of the pupil's actions?

Did I verbally or physically intervene if it became necessary?

Did I help the pupil correct mistakes and become a safer driver?

Did I give the pupil opportunity to ask questions?

Did I give the pupil feedback throughout the lesson regarding their progress?

Did I encourage my pupil to reflect at the end of the lesson and go through the questions on the reflective log?

What will I cover next time with this pupil?

What do they need to improve at?

How can I help them improve at this?

Is this pupil struggling with something and I'm not sure how to help them? Do I need some advice on this?
