

Watch the Part 3 videos

Tick each box as you watch a video, read a resource or complete the suggested in-car self-practice.

MODULE 1

Introduction to Part 3 learning

- Video 1: Part 3 test overview
- Video 2: What makes a good driving instructor?
- Print 'Terminology & jargon' notes from resources page
- Video 3: Pupil progress chart & reflective log
- Print 'Pupil Progress Chart & Reflective log' from resources page
- Video 4: Client Centred Learning

MODULE 2

The Part 3 marking sheet

- Video 1: ADI Part 3 Marking form overview
- Print the Part 3 marking sheet from the resources page
- Video 2: Lesson Planning
- Video 3: Risk Management
- Video 4: Teaching & Learning Strategies

MODULE 3

Basic skills

- Video 1: Agreeing lesson goals
- Video 2: How to plan a suitable practice area
- Print 'How to plan a suitable practice area' from resources page
- Video 3: Briefings
- Video 4: Agreeing responsibility for risk
- Video 5: Giving directions clearly and in good time
- Self-practice giving clear and well timed directions. Spend 20 minutes practicing this.
- Video 6: Being aware of your surroundings & the pupils actions
- Print 'Awareness routine' from resources page
- Self-practice the awareness routine. Sit in the passenger seat of your car. Imagine there is a pupil in the driver's seat. Practice the awareness routine as you've seen demonstrated on video 6. Spend 60 minutes practicing this (longer if you feel necessary). You could practice for 20 minutes on 3 or 4 separate occasions.
- Video 7: Giving instructions clearly and in good time
- Self-practice giving clear and well timed instructions as you've seen demonstrated on video 7. Spend 60-90 minutes practicing this, longer if necessary. You could practice for 20 minutes on 3 or 4 separate occasions.
- Video 8: Verbal & Physical intervention

MODULE 4

Correcting mistakes

- Video 1: Correcting mistakes - explanation
- Print 'Correcting mistakes' from the resources page
- Video 2: Correcting mistakes - demonstration
- Video 3: Recap on risk management
- Print 'The Cycle of Risk Management' chart from resources page

MODULE 5

Beginner/Novice lessons: learning basic car control skills

- Video 1: What to expect from lesson demonstrations
- Print 'Lesson Structure Template' from resources page
- Print 'Lesson Diagrams' from resources page and put them in a suitable folder
- Video 2: Beginner 1st lesson
- Video 3: Use of mirrors, gear changing, clutch control & hill-starts
- Video 4: Steering

MODULE 6

- Video 1: Dealing with junctions: approaching and emerging
- Video 2: Adapting the lesson plan
- Video 3: Meeting approaching traffic
- Video 4: Goals taken from the reflective log
- Video 5: Roundabouts
- Video 6: New pupil who has driven previously
- Print questions to ask a new pupil who has driven previously
- Video 7: Dual carriageways
- Video 8: Reverse into parking bay
- Video 9: Time to practice
- Print 'Reflective log: driving lesson practice' from resources page
- Video 10: Town/City driving
- Video 11: Rural driving (driving on country lanes)
- Video 12: Parallel Park (reverse park at the side of the road)
- Video 13: Risk Management
- Video 14: Risk Management
- Video 15: Crossroads

Now you've completed the above move onto Step 14 and start practicing. Find one or two learner drivers who you can practice with. Practice the skills and techniques you've learnt from watching the videos and reading the resources. You should aim to get 20 hours in-car teaching practice before taking the part 3 test.

Enhance your learning with video calls throughout this practice phase. Let us mentor you with guidance and advice whilst you are practicing for your part 3 test.

MODULE 7

Part 3 test demonstrations

- Print 'Lesson Structure Template: Part 3 test' from resources page
- Video 1: Part 3 test demonstration: Learner driver
- Print: 'Agreeing lesson goals on part 3 test'
- Video 2: Part 3 test demonstration: Learner driver
- Video 3: Part 3 test demonstration: Full licence holder
- Print 'Eco-safe driving lesson full licence holder agreeing the lesson plan'
- Video 4: Part 3 test demonstration: Learner driver
- Video 5: Part 3 test demonstration: Learner driver
